

Change Team Membership

Only the Team Captain can promote another team member to Co-Captain status. Just follow these quick and easy steps!

- Go to walk.jdrf.org and log in.
- After accessing your Participant Center Home page, click **View Team Roster** from the options on the right side of the page. The **Team Roster** page displays.

- Click **Manage Captains** from the options on the right side.

- Click the empty checkbox next to the name of the participant and click **Save**.

As Team Captain you can also demote someone from Co-Captain to team member.

- Go to walk.jdrf.org and log in.
- After accessing your Participant Center Home page, click **View Team Roster** from the options on the right side of the page. The **Team Roster** page displays.
- Click **Manage Captains** from the options on the right side.
- Click the checkbox next to the name of the person (so it is no longer checked) and click **Save**.
