Personalize the link to your Team or Personal Page

1. Enter your **Participant Center** and select the **Personal Page** tab or **Team Page** tab as seen below.
2. Then click **URL Settings**.

3. Enter your new URL link with no spaces (we recommend your first and last name or team name) and click "Save".
 - a. **Note:** If another participant is already using your selection, then you will be asked to choose another shortcut.
