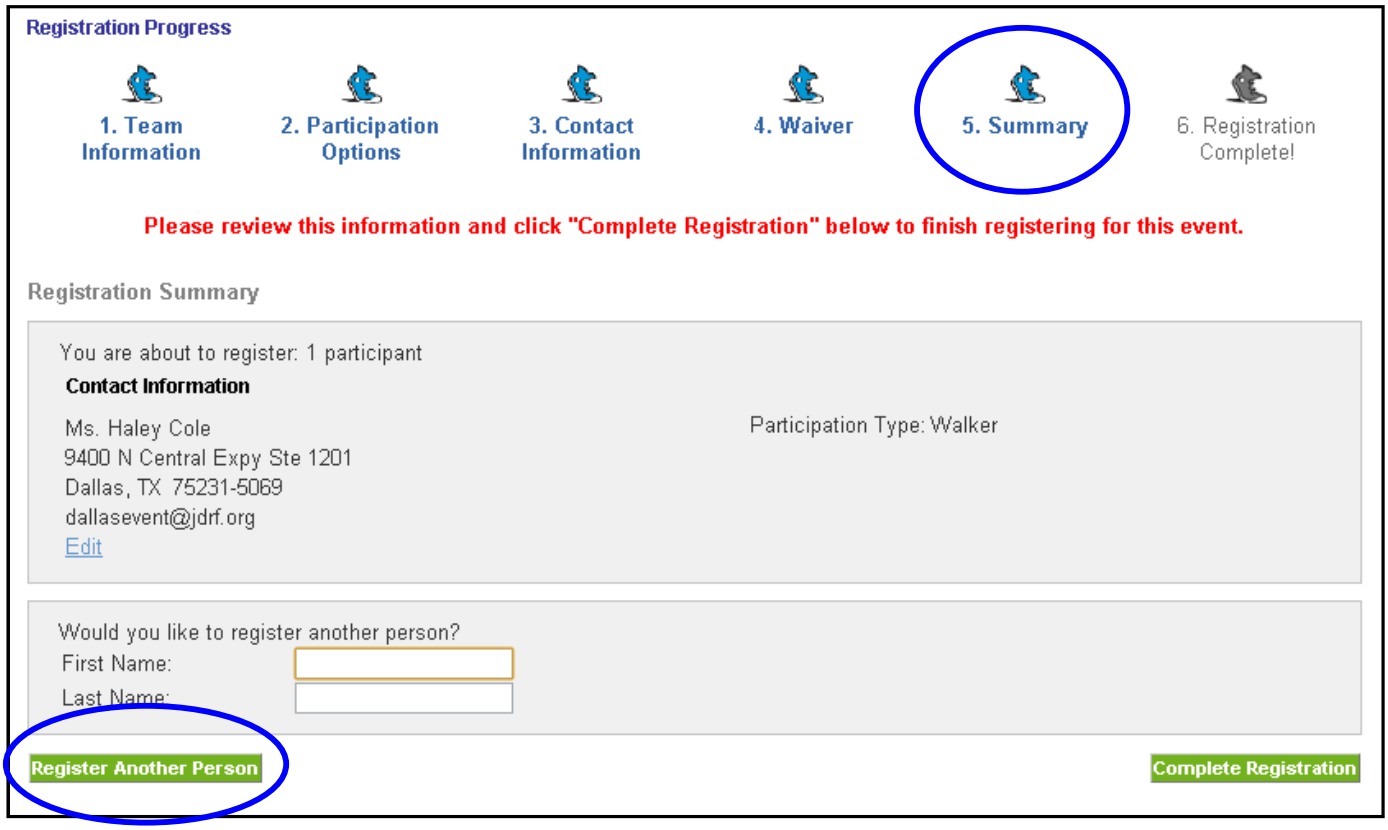
## Register another Walker from the same address

1. During your registration, when you get to step 5 – Registration Summary, enter the name of the other person you would like to register and click “Register Another Person”.

2. You will then be asked similar questions you saw during your registration, but it will include the mailing address you provided. You will need to enter the person’s ‘Title,’ ‘First’ and ‘Last’ Name” along with an email address.

    a. You can use the same email address as long as you used a different first or last name for the registrant.


3. The system will then send an email to the registrant to complete registration, including selecting a password.
